UMAP Programs

Multilateral Student Exchange (Program A)

Post-secondary institutions send and receive **2 students per semester**.

Post-secondary institutions may accept more inbound students than 2 in return for extra 'quotas' to send more outbound students in the following semesters without any expiration date.

The host university **waives tuition fees**, and assists students in securing appropriate accommodations at a reasonable costs.

Programs can last one or two semesters, beginning in the **fall or spring semester**.

UMAP Programs

Short-term Student Exchange (Program C)

Programs are generally offered between July and September and range from 1-8 weeks.

Programs are available in a wide range of disciplines: cultural studies, language proficiency courses, vocational training, entrepreneurship, and more.

Post-secondary institutions offering Program C may **charge tuition fees**.

Host Post-secondary institutions decide whether or not to offer credits for Program C.

UMAP Programs

UMAP Research Net (URN)

Promotes the mobility of faculty, researchers and students through the establishment of research networks

Groups of 2 or more UMAP affiliated post-secondary institutions who share common research initiatives

Helps enable successful development of cooperative research projects as well as meaningful and long-lasting connections between UMAP affiliated post-secondary.

Selected research projects will be funded and partial financial support may be provided for APAIE Conference participation, where interim results to be presented.

6. UMAP and COIL

1. Diversification of the program
 - Short term programs (Program C)
 - Practical learning opportunities and **employability enhancement programs (internship)**
 - More government sponsored programs
2. Membership Enhancement
3. UMAP- COIL joint project (since 2018)
