A Research Agenda for the Internationalization of Higher Education in the United States, 2nd Edition

Kevin Kinser, Ed.D., State University of New York, Albany
Anthony Ogden, Ph.D., University of Kentucky
Robin Sakamoto, Ph.D., Kyorin University
Presentation Agenda

• Introductions
• A Research Agenda for the Internationalization of Higher Education in the United States (1996)
• Introducing a 2nd Edition
• Roundtable Discussions:
  – Education Abroad (Outbound mobility)
  – International Student & Scholars (Inbound mobility)
  – Campus and Curriculum Internationalization
• Summary
A Research Agenda for the Internationalization of Higher Education in the United States (1996)

• How are international programs funded?
• What faculty and other resources are needed for internationalization?
• What has the most effect on undergraduate attitudes and perceptions?
• What can be the impact of internationalization beyond the immediate campus?
Five to ten year perspective

- Types of research needed
  - Data bases, Surveys, Impact studies, Longitudinal social science
- Future private and public sector needs
- Status of internationalization
- Impact of current strategies, and new approaches
A Research Agenda for the Internationalization of Higher Education in the United States (2nd edition)

- What have we learned over the last two decades?
- How has internationalization changed since 1996?
- How have universities changed in response to the internationalization agenda?
- What old questions still need attention?
- What new questions need to be asked?
A Research Agenda for the Internationalization of Higher Education in the United States (2nd edition)

1. Education Abroad (Outbound mobility)
2. International Student & Scholars (Inbound mobility)
3. Campus and Curriculum Internationalization

- Methodological and design challenges
- Theoretical models
- Instrumentation
- Notable gaps in the existing literature
- Future directions
- Publication venues
