AIEA COMMITTEES

Term ends February of the year listed

2023 AIEA Committees

Much of the work of AIEA is accomplished through committees that focus on various aspects of AIEA’s mission. Any member of the association is welcome to participate in the work of these committees. Committee chairs maintain a roster of currently active members. AIEA members are encouraged to contact the chairs to learn more about committee plans and activities and to indicate their interest in future participation.
