Education Administrators (AIEA)**

"Leaders in International Higher Education"

# Association of International Education Administrators (AIEA)

*–Essential – Collegial – Immediate Responses  
to Leaders from Leaders*

**The association for senior international officers in higher education, focusing on:**

- ✧ The changing nature and goals of academic internationalization
- ✧ Strategic planning and visioning for curricular and institutional transformation
- ✧ Positioning internationalization within campus mission and structures
- ✧ Engagement with private sector companies, organizations, and governments
- ✧ Best practices in fundraising, budgeting, staffing, risk management, and other logistical aspects of developing comprehensive international programs in higher education
- ✧ Developing and sustaining effective international partnerships
- ✧ Developing competencies and defining the roles of senior international leaders

- ✧ Public policies affecting international education and representation with federal policy-makers, both on Capitol Hill and in the Administration
- ✧ Faculty development for international collaboration, research, and teaching
- ✧ Engagement with issues of global poverty, development, health, and environment

## Membership Benefits:

AIEA works by bringing international education leaders into dialogue with each other, their counterparts around the world, umbrella organizations that promote international education, and organizations concerned with the shaping and management of higher education. Membership confers the following benefits:

- ✧ Extensive **networking and dialogue** with senior internationalization leaders around the world
- ✧ Complimentary subscription to *Journal of Studies in International Education*
- ✧ A periodic **electronic newsletter**
- ✧ Access to **AIEA publications, including essays and books** on matters of concern to internationalization leaders
- ✧ Updates, position papers, and advocacy training on **important matters of public policy**
- ✧ Representation with federal policy-makers, both on Capitol Hill and in the Administration

- ✧ Participation in the membership listserv, an **active forum for discussion of mutual interests and issues**
- ✧ **Publicity** through **Members in the News** on the AIEA website
- ✧ Free **posting of open positions** through AIEA listserv
- ✧ An **online membership directory**
- ✧ A **consultant referral program**
- ✧ **Professional development** workshops, retreats, and seminars
- ✧ **Reduced registration fee** for AIEA's annual meeting, an important, focused gathering of internationalization leaders and organizations
- ✧ The opportunity to **serve on AIEA committees**, such as the Public Policy Advisory Board, the Committee on Professional Development, and the Editorial Board.
- ✧ The opportunity to **participate in AIEA sessions and workshops** at other professional gatherings, both in the U.S. and overseas

## What makes AIEA valuable to its members?

- 🌀 AIEA **nurtures** international education **leadership**, providing a **collegial forum** for the sharing of information, issues, and ideas among senior international administrators
- 🌀 AIEA **connects** its members to **important opportunities and information** regarding the international education community, with **immediate pay-offs** realized through joining
- 🌀 AIEA members enjoy the ability to **gather intelligence, dissect working models, maintain competencies, and query peers** who have created and managed international education programs at their own institutions.
- 🌀 AIEA works to **define the evolving role of universities and international education organizations** in helping society to navigate the new global environment

## Who are AIEA members?

A professional organization comprising

- 🌀 *Senior international officers* of U.S. higher education institutions
- 🌀 Senior administrators of *international higher education organizations and companies*
- 🌀 *Senior administrators* of non-U.S. international higher education institutions, organizations, and companies
- 🌀 Presidents, Chancellors, Provosts, and other higher education administrators who *champion internationalization*
- 🌀 *Aspiring* international education leaders in universities, organizations, and companies
