Lessons Learned in Global Education: A Pipeline of K-12 and Community College Partnerships

Charlé LaMonica, Director, UNC World View

**Crystal L. Hill, Assistant Superintendent of Curriculum and Instruction,
Cabarrus County Schools**

**Anu Williams, Dean of Humanities and Social Sciences,
Forsyth Technical Community College**

**February 17, 2020
AIEA
Washington, D.C.**

Mission of UNC World View

*World View, a public service program of the University of North Carolina at Chapel Hill, equips K-12 and community college educators with global knowledge, best practices and resources to **prepare students to engage in our interconnected and diverse world.***

UNC World View offers a connection to university resources to more than 88 state partners

UNC World View provides and supports statewide professional development in global education

UNC World View offers a connection to university faculty and global resources

- Ackland Art Museum
- African Studies Center
- Carolina Asia Center
- Carolina Performing Arts
- Center for European Studies
- Center for Global Initiatives
- Duke-UNC Consortium in Latin American and Caribbean Studies
- Duke-UNC Consortium for Middle East Studies
- Kenan-Flagler Business School
- PlayMakers Repertory Company
- University libraries
- And more!

This Session will Address the Following “Lessons Learned” ...

- Developing partnerships and building relationships across the state
- Identifying campus resources
- Creating promotion and sustainability of global education programs
